HELP US BUILD THE CONFIDENCE AND
CONNECTIONS NEW WOODLAND HILLS
FAMILIES NEED TO SUCCEED!

WHY THIS EVENT MATTERS:

The Woodland Hills Kindergarten Fall Festival is one of the first events new families attend in the Woodland Hills School District. It's more than just a fun afternoon—it is a celebration of community. Families from across the Woodland Hills School District come together to enjoy free activities, make memories, and connect with neighbors and new friends in a welcoming environment.

It also provides children and their families with a meaningful opportunity to learn, play, and grow together. Through hands-on activities, games, entertainment, and community engagement, children build confidence, develop social skills, and create positive memories that last a lifetime. At the same time, parents, grandparents, and caregivers have the chance to connect with one another, strengthen relationships with their children, and build a greater sense of belonging within the Woodland Hills community. Events like the Fall Festival foster school pride, encourage community involvement, and create the kind of shared experiences that help children feel connected, supported, and inspired.

By supporting the Fall Festival, you are helping ensure that every child and family can enjoy a safe, inclusive event regardless of their financial circumstances. It also helps to reinforce an important message that will impact families for the next 12 years: the Woodland Hills Foundation supports students from their very first experiences in the district through graduation—and beyond. Your sponsorship not only helps create a memorable day filled with games, entertainment, and seasonal fun, but also demonstrates your commitment to strengthening our community and supporting the students and families we serve throughout their time in Woodland Hills.
